## Overberg – Heaven and Earth. (Whale tour-Seasonal)

A full day outing up the East coast to see the whales. The town of Hermanus built on the cliffs is known as an excellent land-based whale watching area.

We depart Cape Town and head over Sir Lowry's pass travelling through the districts of Grabouw and stopping for tea at one of the country's oldest Inns.

We travel through the beautiful Hemel en Aarde Valley stopping at a wine estate on route-on well known for its excellent wines. We spend some time in Hermanus whale watching and exploring before an Alfresco Seafood lunch (weather permitting), Boat-based whale watching can be arranged as an optional extra.

After lunch we drive through the diverse floral reserve for some spectacular views before slowly winding our way home along the beautiful coastline.

### HIGHLIGHTS of this day trip include:

- + Possible whale sighting off the Coast (Season and nature dependent)
- + Wine tasting in the Hemel en Aarde Valley
- + Seafood Lunch
